No. Fl. (B) 1645—C.R. 2-54-1. In exercise of the powers conferred by the proviso to Article 309 of the Constitution of India and Rule 5 of the Madras Civil Pensions (Commutation) Rules, 1944, as applicable to persons required to serve in connection with the affairs of the State of Mysore under sub-section (1) of Section 63 of the Andhra State Act, 1953 (Central Act 30 of 1953), the Rajpramukh of Mysore, is pleased to make the following amendments to the Regulations governing the procedure for commutation of pensions printed at pages 278 to 282 of the Madras Pension Code, namely.—

1. For the Regulations in paragraphs 2 to 4 of the Regulations governing the procedure for commutation of pensions, the following shall be substituted, namely.—

"2. A lady applicant should produce a certificate signed by a Lady Medical Officer, *i.e.*, a Lady Surgeon or Assistant Surgeon attached to any Government Medical Institution in the State. If the examination is by a Medical Officer the Medical Examination report in Form 'B' together with a certificate as to the expectation of life signed by the Medical Officer shall be sent to the Director of Medical Services in a sealed cover who will transmit it to Government in the Finance Department with his own opinion. If the examination is conducted by the Medical Board, the certificate referred to above may be sent to Government direct by the Board.

4. In the case of a person drawing an invalid pension, a certificate from the Medical Board will be insisted upon. The grounds of invaliding or the statement of the pensioner's medical case should be communicated by the applicant to the certifying Medical authority, who will also be furnished by the Finance Department with the Medical Certificate produced with the connected pension papers.

Exception.—The Medical Certificate prescribed in Rules 2 and 3 above will suffice in the case of a person who is granted an invalid pension otherwise than under Article 283 and Constables retired from service under Note to Article 285 and a certificate from the Medical Board need not, therefore, be insisted upon in such cases.

5. (i) The applicant should himself pay the Medical fee for examination. When, however, under rule 3(i) a second Medical opinion is required and the applicant is directed to appear before another Medical Officer or the Medical Board, the second examination will be made free of charge by the Medical Officer concerned or the Medical Board under the orders of Government.

(ii) The charges for Medical Report on an application for commutation of pension is Rs. 10 when the Medical Examination is conducted by a single Medical Officer and Rs. 16 when the same is conducted by the Medical Board. The fees should be paid as under.—

Misc-Misc." ar make over the receipt together with the remaining fee of Rs. 12 in cash to the Board at the time of examination.

6. On receipt of the Medical Report from the Medical Officer, through the Director of Medical Services or t Medical Board, as the case may be, Government in the Finance Department will sanction the amount of commut value of pension already certified to as admissible by the Accountant General, Mysore. In cases where a load high than one year is recommended by the Medical Authority, the Accountant-General will be addressed to certify t correct amount admissible in such cases before sanction.

7. Applicants declared ineligible on the report of an examining Medical Officer or a Lady Medical Officer in the case of female applicants, or after they have once declined to accept commutation on the basis of an addition of a few years to their actual age, may apply to Government for a second Medical Examination after a lapse of atl east a year since the first examination. Such re-examination will invariably be made by a Medical Board on payment of a fee of Rs. 16 as in the case of applicants drawing invalid pensions."
